PRESSES

Eagle – Straight side and transfer presses. Mechanical, hydraulic designs and the latest **servo press technology** available.
SUTHERLAND - Single and Two point gap frame. Single point, and two point affordable straight sides. Servo hydraulic presses.
BENCHMASTER – Light tonnage bench presses.
BTM – Air over oil & hydraulic punching systems

PRESS BRAKES & SHEARS

SESCO – Oscillating shears for shaped blanks

FEEDS

COE PRESS EQUIPMENT – Servo Feeds.
RAPID AIR – Light and medium duty air and servo feeds.
WADDINGTON – High speed precision & twin strip servo feeds.
PRESS ROOM EQUIPMENT—Affordable servo & air feeds

PRESS CUSHIONS & KNOCKOUT SYSTEMS

HYSON – Active hydraulic and self contained press cushions and knockout systems.

QUICK DIE CHANGE SYSTEMS

GREEN VALLEY – Die carts , Die racks, Bolster extensions, T-tables, die handlers, & Pneumatic die lifters
HANSFORD— Die splitters & light duty die carts
PASCAL – Hydraulic clamps, die lifters, bolster extensions.
OPTIMA – Mechanical & hydraulic clamps, die transfer systems

COIL PROCESSING EQUIPMENT

COE PRESS EQUIPMENT – Reels, Straighteners, Cradles, Cut to length lines, SpaceSaver cradle/feeder/straighteners.
RAPID AIR – Reels, Straighteners, Pallet decoilers.
ACCRA WIRE – Heavy duty pallet decoilers..
PRESS ROOM EQUIPMENT– Value priced reels, straighteners, cradles & pallet decoilers
WADDINGTON – Precision straighteners.
SESCO – Super Heavy Duty coil processing
CALDWELL – Coil hooks, lifters, & upenders
COIL-TEK – Ultra-Sonic loop controls & rewind systems

TRANSFER SYSTEMS & UNLOADERS

SYRON/NORGREN- Transfer fingers, Sensors, & Suction cups
BACHHUBER – Mechanical & servo press unloaders
LINEAR TRANSFER AUTOMATION—In die servo and press to press programmable transfer systems. Destackers, Automation.

SURFACE PREPERATION SYSTEMS

AQUEOUS PART WASHERS.

Mark One—Blank washers & Green Clean hot water coil & sheet cleaning for Class A outer metal quality
SESCO - Coil cleaning Systems
PAX PRODUCTS—Die washing systems

HYDRAULIC SHOCK DAMPERS

W-TECHNOLOGIES - Prevent snap-thru and reverse shock loads.

SHOCK, VIBRATION, & LEVELING MOUNTS

VIBRO DYNAMICS – Press mounts

UNISORB – General purpose machinery mounts

SAFETY EQUIPMENT FOR OSHA/ANSI COMPLIANCE

SHADOW LIGHT CURTAINS

WINTRISS – Clutch/brake controls .
ROCKFORD SAFETY- Laser scanners for area safeguarding. Hand tools, Riveter & spot welder guarding devices.
MILLEREDGE – Pressure sensitive safety mats.
PROTECH – Restraints, Press brake guarding & Safety blocks.
DIE SAFETY BLOCKS- Wedge and adjustable styles
SOUND ENCLOSURES – Noise Reduction systems
WIRECRAFTERS – Woven & welded wire perimeter guards.
LAZERSAFE- Safeguarding for hydraulic press brakes
PAX DIE DOORS - Safeguards and lubricant containment

LUBRICATION SYSTEMS

PAX – Airless stock lubrication systems. Filter and exhaust systems.
MARK ONE—programmable spray lubrication systems

DATA COLLECTION /OEE MONITORING

ShopFloorConnect – software & machine interfaces to collect production, setup, downtime & overall equipment effectiveness information from production machinery.

PRESS AUTOMATION & CONTROLS

WINTRISS – SmartPAC2 & SmartPACPRO Press Automation Controls
AutoSET 1500 – Tonnage Monitors.
RAMPAC – Shut height and counterbalance controls.
ProPAC – In-Die measurement quality control system.
DiPRO 1500 – Die protection systems
HTM ELECTRONICS—Die protection sensors - digital & analog proximity & optical
MARK ONE— Stack handling, vision systems, interpress automation, robotics & integration
LUMBERG—Connectors & quick connection systems
SYRON/NORGREN – Double thickness & thread detection systems
GEMCO & KAMCO – Rotary cam switches.

CONVEYORS & MATERIAL HANDLING

PAX – Low profile slug, part and scrap conveyors. Drum motor and oscillating (EGD shaker conveyors)
NEW LONDON – Steel hinge & wire mesh belt conveyors.
DORNER – Low profile belted conveying systems
MARK ONE— Heavy duty conveyors, shuttles, lifters, overhead gantries, bundle turnovers
TITAN – Heavy Duty belted and roller conveyors.
MPI – Beltless shaker slug conveyors, magnetic slider bed, and magnetic belted conveyors
SOUTHWORTH— Lift tables, upenders, turntables, container tilters, stackers, & pallet handling equipment.
CALDWELL—Coil hooks, web & wire mesh below hook lifters, vacuum lifters, booms, and beams.
OMNI METALCRAFT—Manual and powered telescoping boom extendable conveyors

ACCESSORIES

TRUMPF - Stock nibblers

BAZOOKA - Vacuum slug removal systems

CONCRETE & STEEL CONSTRUCTION

DELTA INDUSTRIAL— Foundations, press pits, coil loop pits, steel mezzanines, concrete flat work, machinery installations.

SHEET METAL JOINING, PUNCHING & WELD CLAMPING SYSTEMS

BTM Tog~L~Loc –Air & hydraulic punching systems. Heavy duty weld clamps.

SERVICES

- **TURNKEY INSTALLATIONS**
- **IN PLANT TRAINING SEMINARS**
- **DIE PROTECTION CONSULTATION**
- **OSHA COMPLIANCE SURVEYS**
- **RISK ASSESSMENT**
- **LOAD MONITOR CALIBRATIONS**
- **APPLICATION ASSISTANCE**
- **ROI & BREAKEVEN ANALYSIS**

WINTRISS CONTROLS - SMARTPAC PRO

MPI PNEUMATIC & ELECTRIC SHAKER CONVEYORS

PAX IN DIE LUBRICATION SYSTEMS

RAPID AIR FEEDS, REELS, & STRAIGHTENERS

COE COIL HANDLING AND FEEDING SYSTEMS

DORNER LOW PROFILE CONVEYORS

Helping You Get It Done, Today.

Your number one resource for:

- Conveyors
- Application Expertise
- Engineering Assistance
- Installation
- Service

 A white, low-profile conveyor belt with several small bottles of different colors (orange, yellow, blue, green) resting on it.
