LINES WE REPRESENT

STAMTEC — METAL STAMPING & FORMING EQUIPMENT · WINTRISS · RAPIDAIR · OTINUS — We serve You · LINEAR AUTOMATION

PAX · DORNER · Pascal Engineering Inc. · NORGREN · SOUTHWORTH

GREEN VALLEY MANUFACTURING, INC. · mpi · New London Engineering — Convey with Confidence · HTM SENSORS · PRESS ROOM EQUIPMENT CO.

PRESSES

STAMTEC — Gap frame, straight side, servo & forging presses

- **Gap Frame** – GHS, OCP, GL1 & G2 Series, 22T to 330T
- **Straight Side** – 1-Point & 2-Point Series, 165T to 3300T
- **Servo** – iS1 direct-drive servo, 88T to 330T
- **Forging** – LF, KW, WF, KP & KT Series, up to 2200T

BENCHMASTER — Light tonnage bench presses

PRESS BRAKES, SHEARS & LASERS

OTINUS — Hydraulic & electric press brakes, guillotine shears, fiber laser cutting machines

COIL HANDLING & FEEDS

RAPID AIR — Air & servo feeds, space saver feed lines, reels, straighteners, pallet decoilers

PRESS ROOM EQUIPMENT — Value priced air & servo feeds, feeder/straighteners, reels, cradles, cut to length lines & choppers

ACCRA WIRE — Heavy duty pallet decoilers

CALDWELL — Coil hooks, lifters & upenders

COIL-TEK — Ultrasonic loop controls & rewind systems

QUICK DIE CHANGE (QDC)

GREEN VALLEY — Die carts, die racks, bolster extensions, T-tables, die handlers, die & mold splitters, pneumatic die lifters

PASCAL — Hydraulic clamps, die lifters, bolster extensions; quick mold change for injection molding

OPTIMA — Mechanical & hydraulic clamps, die transfer systems

TRANSFER SYSTEMS & UNLOADERS

LINEAR — In-die servo & press-to-press programmable transfers, destackers

BACHHUBER — Mechanical & servo press unloaders, blank feeders

SYRON / NORGREN — Transfer fingers, sensors & suction cups

AUTOMATION & ROBOTICS

LINEAR — Turnkey automation & systems integration: collaborative robots (cobots), robotic pick & place, vision systems, blank stacking, end of line racking

PARTS & DIE WASHING

MARK ONE — Surface preparation: blank/coil washers, programmable spray lubrication

PAX — Die washing systems

AQUEOUS PARTS WASHERS

PRESS CONTROLS & DIE PROTECTION

WINTRISS — Press automation & monitoring

- **SmartPAC PRO** – press automation controls
- **AutoSET 1500** – tonnage monitors
- **RAMPAC** – shut height & counterbalance controls
- **ProPAC** – in-die measurement quality control
- **DiPRO 1500** – die protection systems

LINEAR — Mechanical & hydraulic PLC press controls

HTM ELECTRONICS — Die protection sensors: digital & analog proximity, optical

PRIME CONTROLS — Double sheet detection

SYRON / NORGREN — Thread detection systems

GEMCO & KAMCO — Rotary cam switches

LUMBERG — Connectors & quick connection systems

SAFETY & OSHA / ANSI COMPLIANCE

WINTRISS — WPC Apex clutch/brake controls

LINEAR — Hydraulic press control upgrades

SHADOW — Light curtains

ROCKFORD SAFETY — Laser scanners for area safeguarding; hand tool, riveter & spot welder guarding

PROTECH — Restraints, press brake guarding & safety blocks

LAZERSAFE — Safeguarding for hydraulic press brakes

MILLEREDGE — Pressure sensitive safety mats

WIRECRAFTERS — Woven & welded wire perimeter guards

PAX — Die doors: safeguarding & lubricant containment

DIE SAFETY BLOCKS — Wedge & adjustable styles

LUBRICATION

PAX — Airless & roller coater stock lubrication; filter & exhaust systems

CONVEYORS

PAX — Low profile slug, part & scrap conveyors; drum motor & oscillating (EGD shaker)

MPI — Beltless shaker slug conveyors, magnetic slider bed & magnetic belted conveyors

DORNER — Low profile belted conveyors; LPZ adjustable angle conveyors

NEW LONDON — Steel hinge & wire mesh belt conveyors

TITAN — Heavy duty belted & roller conveyors

PRODUCTION RESOURCES INCORPORATED

PRODUCT LINE CARD

MATERIAL HANDLING & LIFTING

SOUTHWORTH — Lift tables, upenders, turntables, container tilters, stackers, coil cars, pallet handling

MPI — Sheet fanners, lift magnets, magnetic filtration & demagnetizers

CALDWELL — Coil hooks, web & wire mesh below-hook lifters, vacuum lifters, booms & beams

MARK ONE — Multi lane, end of line, telescoping & indexing conveying systems

DATA COLLECTION / OEE

SHOPFLOORCONNECT — Software & machine interfaces that collect production, setup, downtime & OEE data

PRESS MOUNTS & SHOCK DAMPERS

VIBRO DYNAMICS — Press mounts

UNISORB — General purpose machinery mounts

W-TECHNOLOGIES — Hydraulic shock dampers: prevent snap-thru & reverse shock loads

CONCRETE & STEEL CONSTRUCTION

DELTA INDUSTRIAL — Foundations, press pits, coil loop pits, steel mezzanines, concrete flat work, machinery installations

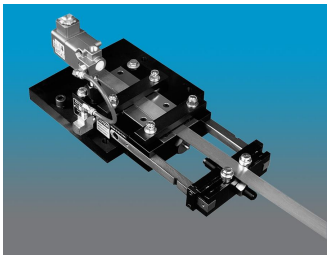

FEATURED EQUIPMENT

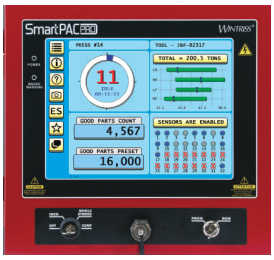

STAMTEC
Gap frame, straight side, servo & forging presses

OTINUS
Press brakes, shears & fiber lasers

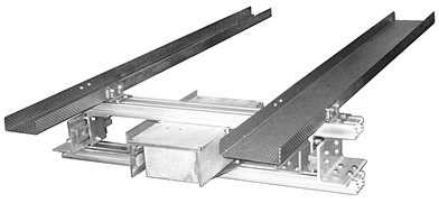

RAPID AIR
Feeds, reels & straighteners

WINTRISS
SmartPAC PRO press automation controls

PAX
In-die lubrication systems

MPI
Electric shaker & magnetic conveyors

DORNER
Low profile belted conveyors

PRI SERVICES

- Turnkey installations
- In-plant training seminars
- Die protection consultation
- OSHA compliance surveys
- Stop-time measurements
